18 June 1985**MEMORANDUM FOR THE RECORD****SUBJECT:** Codeword Briefing on NIE 11-3-8 for  
House Republican Conference

1. On 18 June 1985, Dr. Lawrence Gershwin, the National Intelligence Officer for Strategic Programs, briefed the House Republican Conference on the Key Judgments of NIE 11-3-8. Over fifty Members attended some or all of the briefing which lasted one hour. The briefing was arranged by Representative Jack Kemp (R., NY) at the behest of The White House. (C)

2. Dr. Gershwin gave the same briefing he has used in the past for the SSCI and other select groups. There were very few questions from the floor as the session did not begin until 0850 and most Members had to leave by 0930. Nevertheless, there were many appreciative comments from Members on the quality of Dr. Gershwin's presentation. [REDACTED]
